0. Introduction

Class activity for the whole group. Students see a Powtoon created by other students who present a situation in which someone lacks a transferable skill (cleanliness) and tips for acquiring it. Activity designed by Marcos Giménez Llorca and Ikrash Rashad (Spain).

1. Subject / Skill

Cleanliness.

2. Type of activity

Working on the contents of a short POWTOOM.

3. Objectives

At the end of the activity, students will be able to implement strategies to take care of their personal hygiene and the cleanliness of the classroom.

4 Time to develop the activity

1 hour lesson.

5. Materials

Audiovisual devices, POWTOON video clip, board, worksheet and photocopies

6. Steps / Procedure

1. Students are asked if they consider themselves clean.
2. Students are asked if they take care of the materials
3. Watch a Powtoon video made by students.
4. Students give their feedback about the information in the video.
5. Students are asked if they do or practice these guidelines.
6. Students are given a photocopy with the tips for cleanliness.

7. Follow-up: Students make their own videos about cleanliness.

7. Appendix 1. Worksheet:

Tips for Being Clean

1. Practice good hygiene
2. Shower every day
3. Take care of your hair
4. Keep your mouth healthy
5. Use deodorant
6. Wear clean clothes
7. Throw things away, use bins
8. If you have a chance, recycle
9. Return things to their place after use
10. If you mess something up, clean it immediately
11. Teach your classmates to do the same
